## Ways to Learn About Upcoming Events and Activities in Park Glen

It would certainly be frustrating to find out only afterward about a neighborhood event you would have liked to do. But that is also frustrating to the volunteers who invest their time to promote and put on events with a goal of having you take part. So, to prevent the all-around frustration, here is a proven way for you to **KNOW WHAT IS HAPPENING IN YOUR NEIGHBORHOOD:**

1. Sign up here - <http://parkglen.org/sign-up.html> - to start receiving e-mails about events and activities in Park Glen. Watch for and read those e-mails.
2. “Like” the **Park Glen Neighborhood Association** Facebook page <https://www.facebook.com/parkglenhoa/> so you will see those posts in your Facebook feed.
3. Don't just wait for information to come to you. Also seek it out:
  - ⇒ Bookmark [www.ParkGlen.org](http://www.ParkGlen.org), and check it out twice a month or so. Especially read the homepage and the “upcoming events page” <http://parkglen.org/upcoming-events.html>
  - ⇒ Read the neighborhood newsletter. It's usually published monthly and is always available here: <http://parkglen.org/newsletters.html>
  - ⇒ Go to the PGNA Facebook page weekly to see posts you may have missed: <https://www.facebook.com/parkglenhoa/>

# PGNA Landscape Corner

## Fall - A time of change

By the Lazy Gardener

Ahhh, Fall, my favorite time of year! Spoken like a person who grew up in New England, right? Although that was easily the most colorful time of the year in New England, it also meant the end of the growing season, time to clean and maintain our tools, landscape equipment and store it for the winter. That is not the case for us in Texas, our most colorful season is hands down the Spring. Fall for us is our secret second Planting Season, well for trees and shrubs anyway. More on this in a minute, before we explore that subject let's talk fall and winter flowers first.

Everyone who was raised in Texas knows about the fall tradition of Mums, I know if you went to HS in Texas you're probably thinking of the glitzy corsage at Home-Coming, but this Mum is Chrysanthemums, and coincidentally are probably the flower most often associated with fall. Its peach basket size mounds of flowers are hard to miss. Their bloom season will range from 2-4 weeks and by varying the cultivars you might even get up to 6 weeks of "mums".

Bloom season not long enough for you, look for the flower with a disparaging name, the Pansy. Pansies come in a wide variety of colors or mix of colors and is one of the toughest flowers you will ever have the joy of growing. Once established Pansies are drought tolerant and will smile right through what little snow we may encounter in Texas. Viola, Johnny Jump-Ups, Snapdrag-

ons, Cyclamen, Dianthus and Lenten Roses also bloom through our Fall and Winter and typically survive through the winter to give you early season blooms again in spring. Want to add a winter flowering shrub, look for the sweet-scented gardenia

You can also add Swiss Chard (look for both Red and Yellow stemmed) and a wide variety of Kale and Cabbage to offset and accent your Fall and Winter flowers. Best part about most of these winter plants... you can eat most of them in a salad, yes flowers too! Check it out on the internet as to which plants and flowers are edible.

Just a word of caution when you head to the plant stores, they sell a lot of gorgeous flowers this time of year, or run sales on some of the prettiest flowers, in fact I have bought a few myself. I have been quickly disappointed, but it was ultimately my own fault, I was new to the area and figured they would not sell plants that don't grow here, because here they are. Read the little tags that come with the plant, if it does not say Zone 8 (preferably Zone 7) put it back; if it says annual, put it back. These plants won't have much of a shelf life and you will be disappointed in the long run. I offer these tips from my own experience.

Back to Planting Season 2: Fall is our best time to plant new trees and shrubs. By planting trees and shrubs in the fall, the cooler temperatures and more frequent rain help the plant become established, putting it in better shape to endure the hot Texas summers. When shopping around for your trees and shrubs, please consider their **Mature** size, be sure it will fit in the space that you have. If in doubt look it up, this could save you a lot of problems in the future. A good start is the Texas A&M Botanical Research website: <https://texastreeplanting.tamu.edu/index.html>.

Winter is also a great time for planning your landscape and the best time to trim your trees to let the sun through. Your grass will greatly appreciate it! Trimming of shrubs should be postponed until spring as shrub pruning stimulates growth, new growth is too tender to survive the winter.

Winter is also the best time to plan your landscape. My advice, look out your windows, what do you see... like it... or not so much? Go out to your patio, have a seat, same question. If you like it don't block it, if not maybe an evergreen plant can make things better. Now that does not mean you block up the window, think further out, along the fence line perhaps. Don't go overboard, block out only what you need to, this will give your landscape depth and make it more appealing. These ornamental trees or shrubs will become the anchors to your landscape plan.

We will talk landscape planning next time, until then get out there and get a little dirt under your fingernails.

# Park Glen Scouting

By **Bob Kilburn**

What a fun month for the Scouts in Park Glen. The Scouts are right in the middle of their "Popcorn Sales". They have been selling popcorn at several retailers and door to door. Thanks for supporting Scouting. Popcorn sales supports local units provide quality programs for the boys and girls.

The Cub Scouts, Boy Scouts and the Venturing Crew participated in the Trinity Trash Bash in Fort Worth. Our area was the Trinity River around the Coyote Drive in and LaGrave Field. The Crew did the Trash Bash in North Richland Hills and partnered with the Trinity Habitat for Humanity and painted a house near downtown Fort Worth. Lots of Community Service.

The Cubs Scouts began their meetings as they began returning to their school routine. They are working on activities to help them earn their next rank. The Bears has a great fishing outing. Cub Scout Pack 205 had their First Pack Meeting of this school season. The theme was kindness and it was all about awards. 13 new Cub Scouts earned their 1<sup>st</sup> rank "the Bobcat badge". Lots of awards were given for all the work the Cubs have done.

The Boy Scouts did their annual planning where they map out what they want to do over the next 12 or so months. They attended a Webelos fair to recruit new scouts into their troop, had a court of honor to recognize them for everything they achieved over the past several months.

Crew 205 was the busiest of all along with all the community service they are doing, they are doing some major fundraising to pay for a trip to Scotland they are planning for next summer, Good Luck Crew 205. They went ziplining, put out Flags on labor Day and attended Park Glen Elementary's "Back to School Bash", and served Sundaes to over 350 people. That was great.

## HALLOWEEN HARVEST DECORATING CONTEST

October 21-26th

Judging will be anytime between 7p.m. - 10 p.m.

For more information: <http://parkglen.org/upcoming-events.html>

Decorating Guidelines are here:

[http://users.neo.registeredsite.com/9/8/2/12319289/assets/6b\\_Halloween\\_Harvest\\_Decorating\\_Contest\\_Guidelines\\_2021.pdf](http://users.neo.registeredsite.com/9/8/2/12319289/assets/6b_Halloween_Harvest_Decorating_Contest_Guidelines_2021.pdf)

This Park Glen Halloween/Harvest Decorating Contest is being held to recognize and show appreciation to residents for their outstanding efforts to decorate their homes for everyone to enjoy. Decorations may be related to Halloween, Harvest Season, or a combination of both.

- \* Entries or nominations are not required. Volunteer judges will tour the neighborhood looking at home decorations between 7 p.m.-10 p.m. Two nights of judging per round.
- \* **It is recommended that spot lights be used on decorations that are only visible during the day, so that judges can view the decorations when they drive through the neighborhood in the evening.**
- \* Judging will be based on "curb appeal" as viewed from the street only. The primary factor will be overall presentation ("wow factor"), but judges will also consider uniqueness & creativity, storyline or theme, and neatness & organization.
- \* 13 homes will be selected (one from each of Park Glen's 13 villages), with **each winner receiving a \$50 gift card and a yard sign to display for three weeks.**
- \* Winners will also be announced and pictured on our website and in the newsletter.
- \* **Be creative, be festive, and have fun! Judges are volunteers that judge a different village from their own and are still eligible for the contest.**

# PID6 Fall Garage Sale

## Arcadia Park Survey Results

Arcadia Park Exercise Equipment - Survey Results are [Here](#).

Arcadia Park Playground #7 Replacement - Survey Results are [Here](#).

Thanks to all who participated, and to Leslie Graham for creating the Surveys and finalizing the results.

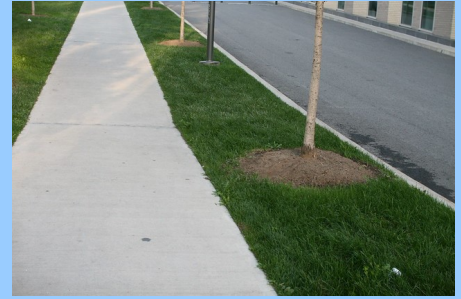

On September 20, 2021, the PGNA Board unanimously passed the following motions and provided them to the City Parks & Recreation Department.

- Motion to ask the City and PID6 to place athletic equipment stations #1, 2, & 3 on the east side of Arcadia Park Playground #6, and to place stations #4, 5, & 6 on the east side of Arcadia Park Playground #1 as per the survey results and overwhelmingly preferred by the 117 survey participants.
- Motion to approve Design Option #3 with natural colors for Arcadia Park #7, and to install both shade trees and shade sails when needed.

# Sidewalk Project #3

by Susan Kenney 10/1/21

PGNA is currently doing Sidewalk Project #3 which includes the Windridge Village and a portion of the Knoll Village that wasn't done by the City's bond package about 4-5 years ago, and properties identified to be eligible in Sidewalk Projects #1 & #2, that didn't opt-in then. The Project areas are selected from a priority list that Daniel Guido, hired as a consultant to PGNA, created by driving through each village and determining how many sidewalks were raised by 1.5 inches or more in each village.

For Sidewalk Project #3, and the previous Sidewalk Projects #1 (Phase 3 Village) & #2 (Bluffs Village), the entire project area was walked by Daniel who measured each raised sidewalk panel, while I inputted the data. The standard was that if the sidewalk was raised by more than 1/4", it would be fixed in order to meet ADA standards. Also, the standard established was that the sidewalk edge could be grinded if the difference was a 1/2" or less. In this Project #3 and the former Projects, the grinding is done at the end of the project. So far, the contractor has been working in Windridge and hasn't gotten to the Knoll yet. There has been a shortage of concrete, so this project is going slower than the previous two projects. This project will continue through the fall and may appear to skip around, but that's a function of neighbors sending in opt-in forms after multiple extended deadlines, working around root grading scheduling, working around weather, and subject to the concrete availability, which is a national issue.

My goal is to get to all the villages and work down the priority list created by Daniel several years ago; however, the Board decides this and has to vote on each project.

You can email Daniel Guido, PGNA's hired Sidewalk Project Coordinator at [PGNASidewalks@gmail.com](mailto:PGNASidewalks@gmail.com) if you have particular questions about your sidewalk for this project #3. Other questions, please email me at [PGNASusan@gmail.com](mailto:PGNASusan@gmail.com).

## Back History:

- \* City of Fort Worth fixed the sidewalks in Phase 1 and a portion of the Knoll as part of a drainage project that was in a bond package approx. 4-5 years ago.
- \* When Kevin Hammack was President back in 2018, the Board determined that fixing the raised Sidewalks would be a worthy project for the Reserve Funds.
- \* Sidewalk Project #1 (Phase 3) was completed by PGNA in 2018 (before Daniel's priority list was created on Dec 2, 2019). Back in 2018, it was determined that Phase 3 had the worst sidewalks, they had many 9" raised sidewalks.
- \* The PGNA Board hired Daniel Guido to drive through each village and make a priority list that the Board could work from in determining which Village to do next. The Priority List was created Dec. 2, 2019. Priority List is here:
- \* [http://users.neo.registeredsite.com/9/8/2/12319289/assets/PGNA\\_Sidewalks\\_2\\_MEMO\\_-\\_Priority\\_List\\_Progress\\_Report\\_-\\_2019-12-02.pdf](http://users.neo.registeredsite.com/9/8/2/12319289/assets/PGNA_Sidewalks_2_MEMO_-_Priority_List_Progress_Report_-_2019-12-02.pdf)
- \* Sidewalk Project #2 (Bluffs Village) was completed in February 2021, taken from Daniel's Priority List.
