Fireworks Extravaganza

Saturday, June 28, 2014
Rain date – July 12, 2014

PID 6 sponsors and funds an annual Fireworks Extravaganza to celebrate Independence Day.

Come and celebrate with your neighbors from Park Glen, Parkway at Park Glen, Park Place, Parkway Hill, Parkwood Estates, Summerbrook, Basswood Park, Park Bend and Villages of Parkwood Hill.

The fireworks display begins around 9:15 p.m. in Arcadia Trail Park, Ash River Road.

Fireworks Safety Tips

Fireworks-related injuries are most common on and around holidays associated with fireworks celebrations, especially July 4 and New Year's Eve. The following tips may help ensure your safety with regard to fireworks:

- The best way to enjoy fireworks is to visit public fireworks displays put on by professionals.
- If you plan to use fireworks, make sure they are legal in your area.
- Never light fireworks indoors or near dry grass.
- Always have a bucket of water and/or a fire extinguisher nearby. Know how to operate the fire extinguisher properly.
- Do not wear loose clothing while using fireworks.
- Stand several feet away from lit fireworks.
- If a device does not go off, do not stand over it to investigate it. Put it out with water and dispose of it.
- Always read the directions and warning labels on fireworks. If it is not marked with the contents, directions and a warning label, do not light it.
- Supervise children around fireworks at all times.

Park Glen Scouting

By Bob Kilburn

School is coming to an end and all the Cub Scouts and Boy Scouts from Pack and Troop 205 are preparing to have an awesome summer. The Boy Scouts just finished their Spring Canoe Race at Worth Ranch Boys Scout Camp where they raced down the Brazos. They worked game booths at the Park Glen Eggs-travaganza, and worked a service project at the Sid Richardson Scout Ranch, stripping & waxing the dining hall floors. Most recently some of the scouts were inducted into the Order of the Arrow which is Boy Scouts National Honor Society. The Order of the Arrow (OA) has recognized scouts and scouters who best exemplify the scout oath and Law in their daily lives. This recognition provides encouragement for others to live these ideals as well. Arrowmen are known for maintaining camping traditions and spirit, promoting year-round and long term resident camping, and providing cheerful service to others.

The Cub Scouts had their monthly pack meeting where they had their annual Space Derby. They built rockets from kits and raced them. Lots of Fun. They had race and design winners. The Cub Scouts are getting ready to have a fantastic summer, Cub Scout Day Camp & lots of summertime activities.

Residents Warned To Be Wary of Persons Posing as Water Department Employees

The Fort Worth Water Department advises residents to be suspicious of individuals posing as Water Department employees via the phone. This week the department received several complaints from customers indicating they were called by people posing as water employees. In all instances, Spanish-speaking customers were targeted.

All cases involve a man calling a customer to request payment for an overdue utility bill. The customer is told to get a money pack card from a local retailer for the specified amount and to then call a certain phone number to make the payment. Customers were also told they had a very short time frame to do this or the water would be disconnected. Individuals falsely claiming to be city employees are committing fraud.

Residents should call (817) 335-4222 immediately to report the incident to the Fort Worth Police Department.

The Water Department would also like to be called at 817-392-4477 to be made aware of these occurrences.

The only phone number to call for making payments to the Fort Worth Water Department is 817-392-4477. The secure system is automated and payment information is not provided to a live individual. The water department uses door tags to provide 24-notice to customers when water service is scheduled for disconnection for past due balances.
