# President's Notes

Hello again,

I hope your summer is going well. As July approaches please remember to drink lots of water and protect yourself from the hot Texas sun.

Speaking of summer, I hope you've made plans to join us at our upcoming events. We've scheduled lots of fun things to do at our Independence Day celebration on July 2. If you want a chance to throw a pie in my face, come on out to the Alliance United Method Church. I'm "really" looking forward to that. But hey, my wife says it'll be fun anyway.

On July 16th and August 20th join us at the Longhorn Activity Center for Park Glen's Dive-in movie nights! It's a great way to cool off from the heat and enjoy a terrific family environment.

For up updates and details on all of our events, visit our website at ParkGlen.org. If you'd like to help plan or organize a community event, reach out to us by filling out the volunteer form there. Give us your ideas. We're always looking for new ways to benefit our neighborhood.

Now for this months "neighborhood business". I'd like to give a shout out to those homeowners who share their voices and concerns each month. We have many people who reach out consistently and let us know what is going on in the neighborhood. Then there are those folks who contact us just once in a while and then some of you who reach out periodically to let us know what you're seeing and share your thoughts. However active you choose to be, I want to thank you for caring enough about our neighborhood to make that effort.

I also want to ensure you that I don't get tired of your emails and calls. And on behalf of the board, we appreciate your feedback and are working hard on your behalf to make Park Glen better. As a board, we have insisted on keeping the lines of communication open so keep it coming. The more homeowners that get involved, the better!

## Apollo Dog of the Month!

Hello, My name is Oakley. Do you want someone to LOVE, because I am looking for that special someone? Can you find it in your heart to be my special someone? I love to play and run, I've had some leash training as well, and I know how to jump on a pedestal to get love and petting. Oh and if you happen to have any food treats that's even better....

I am currently available for adoption or foster; and I'm living at the Apollo Support and Rescue Adoption Center in Justin. My mommy was a collie and I may be mixed with shepherd, but not entirely sure. My personality is one that doesn't work out well for the kennel environment; I'm stressed out here and has caused me to become somewhat skinny. I'm healthy other than the weight loss. Up to date on shots, neutered, friendly, lots of energy. I really like small children, they make me feel comfortable. If you have a doggie at home, it would be better if I could do some slow meetings with him/her before I know if I can be around them and enjoy their company. So right now it may be better if I am the only dog.

# PARK GLEN SCOUTING

*By Bob Kilburn*

No shortage of activities here for the Boy Scouts and Cub Scouts Troop & Pack 205. The Boy Scouts had their quarterly Court of Honor where they are recognized for all their achievements over the past several months. The Scouts going to Philmont High Adventure Base this summer were busy hiking in preparation for their trek. Both Cub Scouts and Boy Scouts supported VFW Post 655

by placing Flags in front of Veterans graves in recognition of Memorial Day at the New Trinity Cemetery in Haltom City, along with Girls Scout and their families they put out 300 Flags, Great Job. They finished up the month by putting up Flags throughout our neighborhood. All the Scouts are looking forward to Summer Camp at Worth Ranch in Palo Pinto County and Camp Alexander in Colorado.

The Cub Scouts had their share too. This month they were busy preparing for the upcoming Cub Scout Day Camp. They attended Scout Day at the Ballpark in Arlington and cheered the Rangers on, walked the bases before the game. How cool is that. They held the last pack meeting for this school year. This was a very special meeting for them. This is the meeting where all the boys advance to their next rank moving along the Scouting Trail.

# History of the Strawberry

*"Strawberries are so wholesome and health-preserving, so fragrant and delicious that it is a small wonder that everyone should endeavor to make the season during which they are available last long as possible."*

—Henry de Vilmorin, 19th century French botanist

The Name Strawberry was derived from the berries that are "strewn" about on the plants, and "strewn berry" eventually became "Strawberry".

They are from the Rosaceae family, and are of the Fragaria genus. They are not berries or fruit at all, but enlarged ends of the plant's stamen. Strawberry seeds are on the outer skin, instead of in the inner berry. There are about 200 seeds per berry.

The berries are non-fat and low in calories, rich in vitamin C, potassium, folic acid, fiber, and vitamin B6. Over history the strawberries have been used in medicines. They have been used for sunburn, discolored teeth, digestion, and gout. As far back as the 13th century, the Strawberry was used as an aphrodisiac.

Strawberries were served at medieval state events, they symbolized prosperity, peace, and perfection. The most famous public eating of strawberries is at Wimbledon each year, when strawberries and cream are consumed between tennis matches by properly attired English. It is also known that Russian empresses also loved them.

American Indians allegedly invented Strawberry shortcake, mashing berries in meal to make bread the colonists enjoyed—but they must have used wild strawberries since strawberries have been cultivated in America only since 1835. The Hoveg variety was imported into Massachusetts from France in 1834 The Fraser clan in Scotland derived its name from French immigrants named Strawberry (Fraise) who came with William the Conqueror in 1066. There are references to the strawberry as far back as ancient Rome.

# Girl Scouts in Park Glen

By Alanna Mussawwir-Bias

The Troop has been very busy with Skill Building Badges, Outings, and Community Service. During our coverage of the New Cuisines Badge we explored Thai dishes, processed food vs homemade snacks and goodies, and discovered tasty regional foods from our parents hometowns. To show off our new skills the Cadettes prepared a special dinner and Girl Scout Cookie dessert for Veterans living at Liberty House in Fort Worth; a homeless veterans transitional housing program. Arcadia Park South was also on our service list with our participation in the Cowtown Cleanup.

Girls experienced two nights of live music performances. We attended the Opera "The Barber of Seville" at Bass Performance Hall in Fort Worth and the Broadway musical "Wicked" at Fair Park in Dallas. Both shows were moving and exciting cultural experiences. The Juniors and Cadettes volunteered a whole day to cleanup the Barn at Camp Stevens Ranch. We raked, shoveled, hacked and wacked all the leaves, weeds, and spiders! We took the Barn from wo to wow, in preparation of Summer Camp. This service helped us earn the Animal Habitat and Animal Helpers Badges.

Oh, did we mention that we love sports too. Everyone needs baseball, basketball and fencing in their lives right. Well, we started learning about Good Sportsmanship and got a treat at the Texas Rangers Scout Night game when Odor hit Batiste at second base in front of the world. Yikes! Girls attended the WNBA Dallas Wings Home Opener and saw a much better example of sportsmanship. We finished our experiment in sports with a Fencing Workshop, learning traditional skills of swordsmanship.

## Covenant Corner

**This month, we're talking about noise and road safety.** These two topics are city and police issues much more than HOA issues (since they are not addressed by Park Glen's deed restrictions), but they are still important when we think about being considerate and maintaining safety.

First, please be courteous to your neighbors with respect to noise that you create. Noise from music, tools, a car engine, or a gathering of people can travel far and easily penetrate your neighbors' homes. It may be music to your ears, but to others it is a nuisance and sheer noise, especially if it occurs when those around you might be trying to sleep. The city of Fort Worth noise ordinance limits sound, in most cases, to 60 decibels at night (10 p.m. to 7 a.m.) and 70 decibels during the day (7 a.m. to 10 p.m.) in residential areas. Noise can also be restricted on a more subjective basis if deemed to be a disturbance.

Second, please drive considerately and be mindful of possible dangers on our neighborhood streets. Observe speed limits in order to avoid the possibility of causing harm, at worst, or the aggravation of your neighbors, at least. Not only is the safety of the children, residents, and pets of Park Glen at play, but your insurance premium is on the line, too. Your insurance rate is set not only by your individual record, but also that of the community where you live, so we really are "all in this together."

Let's keep this community a pleasant and safe place to live. It all starts with you.

**If you are getting the Keller Citizen delivered and you want to cancel, please call this number...800-776-7827.**

**If you are noticing that your neighbors are receiving the papers and they are being left in the driveway, please pass on this information.**

# Code Blue – Citizens on Patrol (COP) Program

Hello, I am Scott Cryer, your Neighborhood Police Officer (NPO). My role with the department is to act as a community liaison and beat crime manager. I monitor criminal activity as it occurs and seek a pro-active approach to fighting it. I determine what Police Department resources might be best utilized to combat each specific situation.

Our mission statement says: "The Fort Worth Police Department provides quality service in partnership with the community to create a safe environment for all." One of the best examples of this partnership is our Code Blue - Citizens

on Patrol (COP) program. Started in 1991, we began training Ft Worth residents in the Citizens Police Academy. Nobody anticipated how successful the Code Blue program would be as it has been credited with being a primary factor in decreases of Part I Crimes especially those of theft, burglary, and auto theft. It serves as a catalyst in strengthening neighborhoods. COPs have provided general support services to their neighbors, ranging from crime prevention to trash pick-ups to encouraging persons to move into their area.

After completion of the required training and patrol ride-ins, COPs are issued shirts, jackets, hats, ID badges, and car magnets to identify their involvement in the Code Blue program while they conduct their patrols. COPs are furnished with 800 MHz portable radios, similar to those issued to police officers, to report suspicious activity to their base operator

and Neighborhood Patrol Officer (NPO). NPOs work closely with the COPs in making Ft Worth this great city we live and work in.

If you are interested in joining a Citizen on Patrol group, please contact the coordinator for North Division, Brenda Fitts, at (817) 392-3542, or myself, at (817)201-0183. You may also visit our website for more information at [www.fortworthpd.com](http://www.fortworthpd.com) and click 'Get Involved'. I hope to be able to work with you soon.
