October 2016

Publication of the Park Glen Neighborhood Association

President's Notes

Speaking of a "shout out", I want to call your attention to a new section in the newsletter. Our communication chair thought it would be great to have a "shout out" section, where we can acknowledge good things our neighbors do. If you have someone you'd like to recognize, send that information to PGNANewsletter@gmail.com and we'll do our best to get it in. Keep in mind, there are publishing deadlines that require information to be prepared about a month in advance.

Hello Again,
Well, we made it through another Texas summer and managed to have some fun along the way. I want to give a big shout out to those who helped make our summer events so good. Obviously that thanks includes all of the volunteers, our sponsors, not to mention those who attended. Our numbers show there's growing interest in community activities and that's an encouraging sign for us. So, thanks to everyone!

A hot topic this summer has been the gray fences that surround Park Glen. Some of you may not know that the fences not only surround Park Glen but they run throughout all of Public Improvement District 6 (PID6). The establishment of PID 6 was voted on many years ago. Those living in the PID are assessed an additional tax

which is used to manage all of the common areas throughout the PID. These areas include all of Arcadia Park, all of the flowerbeds and landscaping in the medians, intersections and neighborhood entrances and all of Park Glen's monuments. They also maintain the gray fences.

You've see your tax dollars at work as the fence replacement continues. Along with that, there has been a groundswell of conversation on social media about changing the gray color. This summer, a Park Glen homeowner set up an unofficial survey, where results indicated that about 90% of about 450 folks supported a color change. Whether you agree with the survey results or you don't, it's a great example of how communities can engage.

The social conversation helped

advertise a couple of things. First, the color of the fences is not controlled by the HOA. And second, that because your tax dollars are at stake, you have a voice. However, social conversations actually do very little to make the change happen. That takes personal contact with those decision makers.

In all fairness, the PID advisory board generally allocates spending based on very little taxpayer feedback. That said, if you want to make a difference about where and how your PID taxes are spent, the PID Advisory board needs to hear from you. All of their information can be found at PID6.org and the PID holds their board meetings on the last Thursday of every month.

Thanks,
Kevin

Fall Community Garage Sale October 21, 22, 23

This event is a community-wide collection of individual garage sales held twice a year – spring and fall. Any resident wanting to participate must obtain a City of Fort Worth garage sale permit 3 days in advance. There is no charge. General information about garage sale permits can be found on the city's website.

You can call 817-392-2222 and give them your address or you can apply online. When online, scroll down and under the Development title, click on Apply for Permit, accept the terms for using the online application, then click on Continue Application to display the Garage Sale Permit application.

PID 6 takes care of advertisements - so there is no cost to you. Typically, an ad will appear in the Fort Worth Star-Telegram one week prior to the event, and another on the day of the event. The home page on this site will have an advance announcement.

By planning your garage sale to coincide with the PID 6 dates, you can take advantage of the no-cost advertising and benefit from the potentially higher volume of buyers.

PARK GLEN SCOUTING

By Bob Kilburn

All the Cubs Scouts and Boy Scouts are back to school, but not without finishing off the summer with some great scouting activities. If you have not already noticed both the Cub Scouts and Boys Scout began their annual fundraising campaign, selling delicious Boy Scout Popcorn to support their activities. So if you want some just ask a Scout. They are going door to door and are also in front of some of our local stores. Thanks everyone for supporting Scouting.

The Cub Scouts, as usual, have been busy. They had their annual back to school party. Along with that they began recruiting Cub Scouts at Park Elementary School and had a very successful Roundup. This is the first year for the new Lion Program, which is designed for boys that are in kindergarten. Pack 205 also rode their float in the Central High School homecoming Parade.

This month the Boy Scouts conducted their annual planning meeting where they scheduled all the activities for the upcoming year. They had two Eagle Scout Courts of Honor, where we recognized and celebrated the accomplishments of two of our neighborhood Scouts, Michael Smith and Grant Richards. Congratulations on earning Boy Scouts highest award, Eagle Scout.

Troop 205 also began preparing for the Red, White, and Blue Tribute to our Veteran's on November 6th @ 4PM where our entire community will gather to honor our Veteran's in a community wide Flag retirement ceremony @ Alliance United Methodist Church. If you have a Flag that needs to be retired now is the time. Contact Bob Kilburn, 817-789-9907 or bobkilburn@sbcglobal.net or just give it to a Scout you know.

Register your surveillance camera system to help police solve crimes

Are you one of the thousands of people who use private video surveillance at your home or business? If you do, the Fort Worth Police Department would like to hear from you.

Video surveillance is one of the best methods for apprehending criminals and convicting suspects who are caught in the act of committing a crime.

The Police Department is asking residents and business owners across Fort Worth to register their privately-owned surveillance camera systems. As officers respond to criminal incidents, they may be able to use the footage gathered from the security cameras to help apprehend and prosecute the people involved.

You would only be contacted if there is a criminal incident in the vicinity of your camera. Police personnel may ask to view your camera footage to assist with an investigation.

Register your camera system online

<https://www.fortworthpd.com/OnlineServices/Cameras/>

Information provided to the Police Department regarding your camera system will be for official use only. Your personal information will remain confidential except as required by law.

Girl Scouts in Park Glen

By Alanna Mussawwir-Bias

School is back in... What a relief. The Girl Scouts of Troop 1171 are excited about a new year. Our last three Juniors accomplished the completion of their Bronze Award; a project to create and share Dog Care Packages for newly adopted pups at the Human Society Animal Shelter. The Fossil Creek Service Unit held a fantastic Bronze and Silver Award banquet to celebrate the accomplishments of Juniors and Cadette of Girl Scouts in our service unit who earned their Bronze or Silver Awards.

We held an epic Bridging and Re-dedication Ceremony for the girls. The Bridging consisted of a moving Silver Key ceremony where girls found themselves stepping out of their childhood and entering into a new world of understanding their self worth, individuality, growth, and leadership. The three bridging Juniors received their Silver Key with a pledge to accept the challenge of accomplishing their Silver Award during the time that they are Cadettes. We really want to see our girls to go from Green to Gold. We will start as we volunteer at a Milk and Cookies Booth at the 2016 Fort Worth Police and Fire Fighters Memorial Run on October 15, 2016; we hope to see you there.

This school year the whole Troop rededicated themselves to make a difference in people's lives through living the Girl Scout Law and Promise. If you have a daughter/niece/grand-daughter that is interested in Girl Scouts, then you are in luck. Girl Scouts of Texas Oklahoma Plains is forming new troops and recruiting K thru 12th grade. Covenant Corner

If you have grass or weeds growing in the cracks of your sidewalk, driveway, or curb, your yard is out of compliance with neighborhood standards. But removing the problem is as simple as spraying it with a vegetation killer such as RoundUp Weed and Grass Killer, Ortho Ground Clear, or Spectracide Weed and Grass Killer. You will want to get a product that kills both grass and weeds, so be careful to spray it only on vegetation you want to kill. If you live on a corner lot, be sure to check out the sidewalk

and curb on the side of your home as well.

A reminder to clean up after your dogs when they poop in other yards. Take one or more plastic bags with you to pick up the droppings. If your dog didn't want it, your neighbor certainly doesn't either.

Did you know that a trellis, lattice, or other wall that extends above the height of the main fence of a property or is set back from the main fence is generally not allowed

in Park Glen? Residents sometimes think about installing one or more of these to provide shielding, especially for a backyard pool. Any fence higher than 6 feet, not made of wood, or not on the original fence line requires submission of a Property Modification Request and approval by the Architectural Control Committee. Any trellis, arbor, lattice, secondary fence, fence height extension, or other wall also requires ACC approval, which is generally not given for these types of modification.
