President's Notes

Hello again,

Wow, what a summer it's been! I hope you were able to enjoy our Independence Celebration. This year we changed the parade route so we began the parade at Arcadia Park 4 (at Glen Springs and Rushmore). We ventured through the neighborhood and ended on Teton Trail, where everyone could walk directly to Arcadia Park 2 and watch the fireworks show. The plan seemed to work really well and I know a lot of you were out on your front porch or curb making sure our kids felt appreciated. I was pleased to see the friendly smiles and waving along the way.

Our Boy Scouts from pack 205 did a terrific job leading us with the colors, Central High School Band sounded GREAT (as always). There were moms and dads and babies, kids on bikes, scooters, wagons and a skate board or two, many of them decorated for the occasion. Then, of course there was Fort Worth's finest making sure everyone was safe along the way. It was really A LOT of fun!

I hope you were able to enjoy the "famous" Park Glen fireworks shows sponsored by PID6. I think it's one of the best shows around and a big shout out goes to Robin Willits, the PID6 Manager for putting it together. Many times PGNA gets credit for the fireworks but the kudos for the show should all go to PID6. If you want to thank her personally, her email address is Robin.Willits@FSResidential.com.

SOCIAL NETWORKING

Please like the HOA's official page for news of events and other important information:

www.Facebook.com/ParkGlenHOA.

Park Glen has several other social networking pages to allow residents to communicate with each other. Find descriptions and links at <http://parkglen.org/connect-with-park-glen.html>.

GET INVOLVED

If you are interested in getting involved in our neighborhood and would like to volunteer some time, you can see the opportunities, ask for more information, or sign up at <http://parkglen.org/volunteer.html>.

PGNA was proud to team with PID6 and plan our parade conveniently to coincide with the fireworks, which made it easy for those involved to just walk to the show. We also sponsored two bounce houses and provided hundreds of glow bracelets that you could see all over the park when the sun went down. It was a really festive sight. I simply can't estimate the number of people but one could safely say, thousands attended! Overall, it's a great testament to what being part of a community is all about.

Moving on to PGNA business, summer is also time for the board elections. In early August you will begin receiving your ballots in the mail. At least 10% of Park Glen's homeowners must vote for the election to count, and historically that's been a challenge. So consider this the first of a number of reminders, please don't throw your ballot away. Every vote counts!

Don't forget, you can sign up to manage your Association account by visiting the resident's portal at RealManage.com. Also, to keep up with what's happening in the neighborhood, visit the Park Glen website at ParkGlen.org. and check us out on Facebook! And remember, the more of us that are involved, the better Park Glen will be! See you next month.

Grab a Friend and Ride the Bus!

by Park Glen resident Cherie Congiano

Have you noticed new buses riding up and down North Beach? Expanded downtown service started in April and commuters really enjoy the convenience. A friend and I were curious about the new service so we took Bus #11 downtown. We hopped on at our closet stop, Gila Bend and North Beach, and in about 35 minutes we were at Calhoun and 3rd in front of the AMC Palace Theatre in Sundance Square. We walked around the Plaza, did some people watching and grabbed a snack at Razoo's. The return trip was just as easy as the closest stop to Sundance is Jones and 3rd. We've nicknamed the new route "The Beachcomber."

We liked our experience so much the next day we rode the same Bus #11 in the opposite direction to Alliance Town Center and then back to downtown. This time we connected to Bus #15 at Throckmorton to the Stockyards. This bus runs every 15 minutes through downtown. We were dropped off right at Exchange and Main just in time to catch a seat at our favorite watering hole.

To the north the bus route uses North Beach, N. Riverside and Amador; stops include Kroger, Fossil Ridge HS, Walmart, Alliance Town Center and several apartment complexes. To the south: North Beach, 28th Street, N. Riverside, Sylvania and turns to downtown using 4th Street; stops include Summerglen Library, Parkview Elementary, Waffle House, Top Golf/Martin House as well as several hotels and restaurants.

Our next trips...a short 30 minutes to the Stockyards via Bus #12 which starts at the Waffle House (Tanacross and N. Beach) and Bus #64 Express service to Denton from the north "Park-n-Ride" at 35W and Heritage Trace.

Our overall experience:

- Easy and hassle free; no need to park downtown
- Friendly bus drivers
- Clean, air conditioned buses
- On-board bus schedules and maps
- Exact Change required if not using GoPass App
- NextBus App uses GPS and is super helpful

Hope you try it out too! Find out more and plan your trip here: <http://www.the-t.com/#/poloko/en/agency/1/search>.

Annual Meeting & Board Election

This year's all-member Annual Meeting will be held on September 11 but advance online and mail-in voting will take place in the 30 days before that meeting. Please make plans to vote this year! Homeowners will receive voting information in the mail around August 10. Information on voting and the annual meeting may be found at www.ParkGlen.org/vote.html.

Candidate for President

Kevin Hammack – If elected, this will be my fourth term (year) as President of Park Glen Neighborhood Association. In the past three years, I have had the pleasure of meeting many of you. Thanks to some terrific board members, we have been able to accomplish some good things for Park Glen. I hope to continue that work this upcoming years. So, one more time, I ask for your confidence and your vote.

Candidate for Vice President

Russell Zwerg – A 25-year Park Glen homeowner with a career background in accounting and management. I have served on the board for three years, providing a high level of volunteer engagement and responsiveness to members. We've worked hard to overcome challenges, maintain openness, and look for effective solutions to do the right things and make our neighborhood better. We'd love to have more people involved but will continue to do our best to improve Park Glen.

Candidate for Secretary

Kelly Wingo – It has been a joy to serve you in the capacity of Secretary this past year. The Board, along with this wonderful community, have embarked on and shared many accomplishments over the year. I hope to further serve you in the capacity of Secretary as we move forward together while we continue to set goals for our PGNA community.

Candidates for Director (four to be elected)

Kimberly Bowden – I served on the board this past year and have enjoyed learning about the great activities that we do as a neighborhood and issues that we face in keeping our neighborhood safe and property values high. One year doesn't take you too far just as you start to learn what is going on it's time for a new board. We have a strong board and I want to see that continue into this next year.

Barry Bryan – I first became involved with the PGNA Board in 2012. Since that time, I have seen 16 other community residents serve on our Board. The Board has moved from passive toward its management company operation to a more active role of oversight and creativity in that time frame yet simultaneously achieved a more considerate approach to our 3300-plus resident families. Transparency, communication, integration with other organizations have guided our Board increasing in that time frame.

Tom Downey – My name is Tom Downey. My wife and I reside in The Hills. I retired as a federal law enforcement officer with a Master's Degree in Criminal Justice. I have recently taught in high schools. I have volunteered with Code Blue, currently with Citizens Emergency Response Team, DFW Airport and Park Glen. It is important for our health and wellbeing that get to know each other and provide complimentary support and assistance. Vote!

Kyle Jensen – I'm on the pedestrian and bicycle advisory commission for the city of Fort Worth. I'm lead chair for the north Fort Worth Alliance Park development committee. I was the Mistletoe Heights Association, President from 2012-2014, District 9, Fort Worth. I am a past member of the Fort Worth Mayors young professional's initiative called SteerFW. I run a toddler bicycle advocacy group (BBR) to help combat childhood obesity.

Susan Kenney – 18-year Park Glen homeowner, I love our neighborhood for its friendliness, wonderful Arcadia Park, and neighborhood sidewalks with street trees. An HOA Board member for 2.5 years., I've been working to improve our community and will continue. In the past, I worked with PTA's, neighborhood, and city to create Safe Routes to School Plans for Park Glen Elementary, Park Hills Intermediate School, Hillwood Middle School, worked on Community Vision, and Traffic & Pedestrian Safety Committee.

Marie-Louise Norton – I am a mother of two grown children, have worked for one of the world's largest software companies and have been living in this neighborhood for 21 years. Now I have the time that is necessary for such a position. I would come in with fresh ideas, an open mind and an open ear to the needs and wishes of the community, and a "can-do" attitude.

The Board of Directors has a fiduciary duty to enforce deed restrictions for the betterment of the community. Here is a breakdown of the deed restriction violations currently being cited by our community manager, RealManage:

#6. Rubbish and Debris around House

#5. Vehicle Storage / Parking

#4. Noncompliant Structure/
Modification/Basketball Goal

#3. Property/House/Fence Disrepair

#2. Trashcans Visible

#1. Landscaping (Mowing, Weeds, Stumps, Missing Grass, Trees or Shrubs need Pruning)

Park Glen's deed restrictions are detailed in the bulletins and CCR documents available on this page of the our website: <http://parkglen.org/ccr-s-bylaws-policies.html>.

Here's a good way to evaluate your own property for deed restriction issues before you hear from the HOA's management company: Go outside and stand across the street. Put aside your own predispositions and biases about your property by pretending that you are a potential buyer of your home. This hypothetical buyer can buy anywhere and can afford to be very critical of what he or she sees. So look critically at your property from a distance and honestly assess whether there is anything that would be a turnoff to a potential buyer. Fix those things, and you'll be set!

SCOUTING IN PARK GLEN

Boy Scouts in Park Glen

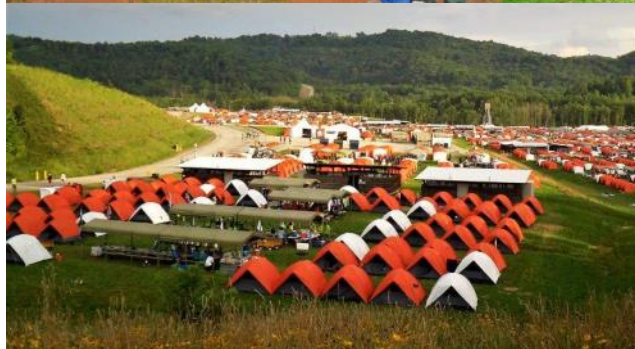

Summer is here. It is hard to believe it's almost over, and what a summer it has been. All the Cubs Scouts and Boys Scouts from Pack and Troop 205 are enjoying their summertime activities. That means summer camps for Boy Scouts, day camp & resident Camp for the Cub Scouts. The Boys Scouts just completed week-long Summer Camps at Worth Ranch in Texas and at Camp Quivera in Kansas, a trip to Swamp Base, and the National Jamboree at the Summit High Adventure Base with 35,000 Boy Scouts from all over the USA. The Boy Scouts had lots of fun working on merit badges, swimming, hiking, canoeing, kayaking, sleeping under the stars and even doing snow sports in the middle of the summer. The Cubs Scouts had their 2nd annual lock-in at Alliance United Methodist Church where games were the agenda. They attended Cub Scout Day Camp which made for a great time including archery & BB Guns. Most recently you could find them roller skating at Roller World.

2017 INDEPENDENCE CELEBRATION

Park Glen joined forces with PID 6 this year to bring you a great evening of fun! The evening started with the annual Park Glen Parade. We gave out awards for decorated bikes, wagons, strollers, and scooters. There were a lot of great entries, so thank you to all those who participated! We also want to thank the Boy Scouts, the Central High School Band and our FW Police Officers for helping us out! There were a lot of neighbors who came outside to cheer us on!

We had a new parade route this year that ended near all the PID6 Fireworks Extravaganza festivities. Residents were treated to food trucks, bounce units, face painting, music and of course the evening wrapped up with a fabulous fireworks display! It seems this event grows and grows each year so thank you to all who volunteered and to those who came out to join us! We'll see you again next year!
