COMMUNITY-WIDE GARAGE SALES

This is a collection of individual garage sales throughout the area of Public Improvement District #6, which includes all of Park Glen. Residents may have a sale on one, two, or all three of the scheduled

days. The city no longer requires garage sale permits, but residents are limited to two garage sales per year.

Friday, April 20 - Sunday, April 22

It's time to get rid of all of those private papers and documents you've been boxing up for the past year! Drive through (or walk up) and we will help you load them into the shredding truck.

There will also be a few board members there if you have anything you'd like to talk to them about.

This event is open to all Park Glen residents and homeowners ONLY.

Saturday, April 28 9a-11a

**Park Glen Elementary School
Black Hills Lane parking lot.**

President's Notes

Hi again and welcome to Spring! I'm always excited to get past the cold stuff (which is generally never really that cold), and on to better weather. In any case, I know a lot of us enjoy spending time outside and Spring is perfect for that. So whether it's just being out in the front or back yard, walking around the block or taking on a longer trek through Arcadia Park or somewhere else, the time is right to get out and about.

Each Spring I try to remind folks about some things the HOA can do and what it can't. As a reminder, the deed restrictions for all 13 villages are located at ParkGlen.org under the Documents tab. If you have problems knowing which ones apply to your address, our Vice President Russell made a handy dandy look up tool to help. You'll find it on the same page.

Everyone should be aware that the main focus of the HOA is to maintain property values. We do that, in large part, by enforcing deed restrictions. So the Board oversees the management company and make sure they are inspecting the neighborhood. Our inspector makes observations from what he can see from the street. No one should ever be walking into your property without your permission. If you believe that is happening, you should let us know so we can look into it. Sometimes there are city contractors and others working in the neighborhood.

We also have a volunteer group that manages the Architectural Control Committee or ACC. With a neighborhood the size of ours, some homeowners modify their property without approval, which is truly NOT recommended. Getting ACC approval for planned modifications benefits you by giving you the assurance that your project is in compliance and guaranteeing that the HOA cannot find fault with your modification in the future. If questions ever arise about your project, you need not worry about being pushed to remove or change the project.

Now, there are some things the deed restrictions simply don't cover, like barking dogs and partying neighbors. And there are some things in the deed restrictions that the HOA cannot enforce. As you know our deed restrictions were crafted about 25 years ago with stipulations that make them very difficult, if not impossible to change. The result is that there is some language that we no longer have authority over.

In order to make an impact with items like these, the HOA periodically has reached out to homeowners individually to help them understand where there are issues. That type of effort generally comes with mixed reviews. But where activities like these impact safety or create extreme congestion with increased traffic, we tend to report them to the Police so they can cite anything that may be warranted from their perspective. The point here is, even though the HOA doesn't have direct authority, there are still things we do, albeit with mixed success.

I hope this clears up a couple of the common things we often hear about. If you have other questions about this type of stuff, my email and those of all board members are at ParkGlen.org.

Kevin

Saturday, December 1 (morning)
Holiday in the Park

Why April 17 Is the Tax Deadline

SUN., APRIL 15
The tax deadline is always postponed when April 15 falls on a weekend or legal holiday.

MON., APRIL 16
This is Emancipation Day in Washington, D.C., marking President Lincoln's April 16, 1862, signing of a law freeing slaves there.

TUES., APRIL 17
No more delays. Taxes are due!

GET CONNECTED WITH PARK GLEN

CONTACT US / ASK A QUESTION

You may contact the PGNA Board or ask a question here: <http://parkglen.org/contact-us-ask-a-question.html>.

STAY UP TO DATE

You can sign up at ParkGlen.org/sign-up.html to receive e-mailed news and alerts about our community and events.

SOCIAL NETWORKING

Please like the HOA's official page for news of events and other important information: www.Facebook.com/ParkGlenHOA.

Park Glen has several other social networking pages to allow residents to communicate with each other. Find descriptions and links at <http://parkglen.org/connect-with-park-glen.html>.

GET INVOLVED

If you are interested in getting involved in our neighborhood and would like to volunteer some time, you can see the opportunities, ask for more information, or sign up at <http://parkglen.org/volunteer.html>.

We had another great memory-making community event!! Hundreds of neighbors came out to enjoy the day with us! There was fun for everyone from the egg scrambles, the vendor booth, the blow up units and games, the food, music and fun! Park Glen is all about community so thank you to everyone who came out and thank you to everyone who volunteered their time to make this such a great event!

Shout Out!

We would like to recognize and give a “Shout Out” to these GREAT Park Glen Neighbors....

A big SHOUT OUT to the volunteers who helped us stuff 15,000 eggs for our Eggstravaganza. Sandra Zwerg did a fantastic job making sure we got all of the eggs filled again this year. Our volunteers this year were Melissa Klingberg, Alisha Miller, Anita Baxter, Cindy Gipson and family, Crystal Thompson and family, Rebecca and John Hollis, Kathleen Cantania and family, Katie Worsham, Trey Worsham and Abby Kopp. April Welborn also donated 100 stuffed eggs! Thanks everyone!!!!

SHOUT OUT to Daniel Guido and his crew of volunteers for going above and beyond with their booth at the Eggstravaganza this year! Guido’s Park Glen Bike Gang keeps growing and is blessing a lot of Park Glen kids. Thanks for all you do for Park Glen!

From Daniel Guido..... SHOUT OUT to Neighbor Bobbi Jo for volunteering ALL DAY NON STOP to paint little faces and to Neighbor Renada for volunteering and painting oodles of little fingernails. No motivation other than BRINGERS OF JOY!

More SHOUT OUTS to all of the vendors who came out to Eggstravaganza and shared their business with us!

SHOUT OUTS to all of our homeowners who continue to make Park Glen a great place to call home! It takes a community!

From Tammy Overton.....Big SHOUT OUT to Danielle Doyle and Kimberly Smith, they are Awesome! I have 2 homes right now and just listed the PG home we were back and fourth- Until I fractured my foot falling down the stairs. I can’t drive. Danielle has gone to our home without asking - dug furniture out of the pool from wind “like got in the pool” - watered plants - Vacuumed floors - Kimberly has also been watering flowers- I really don’t know what I would have done without these two Precious PG residents & friends. Above and beyond!

From Shawna Ford.....a grateful SHOUT OUT to Crystal and Kevin Thompson! Crystal always watches over our dogs when we are out of town, she makes me yummy sweet treats just because, she looks out for our safety (calls if I leave the garage door up), Kevin has mowed my yard when I was pregnant, Kevin helped me at 6am when my garage door stuck... etc. They are good people!

Do you have a “shout out” to share? Send it to PGNaNNewsletter@gmail.com!

Management Company Change

The Park Glen Neighborhood Association Board of Directors has decided not to renew our management agreement with RealManage when it expires on May 31, 2018. The Board is now interviewing companies to take over our community management effective June 1.

If you have a balance due to the Association, please pay that as soon as possible (payment instructions are in the pink box on this page) or contact the Association Treasurer (PGNARussell@gmail.com) to make payment arrangements.

Starting May 25, homeowners should no longer send or initiate payments, property modification requests, or other communication to RealManage. Shortly before or after June 1, all Park Glen homeowners will receive a letter from the new management company with new contact information and payment addresses.

If you have PGNA set up as a payee in your bank's bill pay service, you may use that until May 25 to initiate payments. If you will not be making a payment to PGNA before then, we ask that you go ahead and delete that payee record on your bank's website to avoid the chance of using that payee in the future and having your payment go to the wrong management company.

Scholarship Program

Park Glen has a scholarship program paid for with the profits of the annual Turkey Trot 5K Race and 2K Fun Run. Park Glen homeowners and their dependents will be eligible to apply for scholarships for college and vocational/technical study if there are no open violations and no balances owed to the Association.

Applications and complete details will be available at www.ParkGlen.org on May 1. The submission deadline is Friday, June 1.

New Board Member

The Board of Directors has appointed Nicole Eschliman to fill the position of Secretary that was left vacant by the resignation of Kelly Wingo. Contact information for all Board members may be found on page 1.

COVENANT CORNER

A property modification request is required from residents who want to make Improvements or modifications to your property.

You can find the forms on our website.

www.ParkGlen.org

FUN FACTS

- Did you know Coca-Cola originally contained cocaine?
- Did you know the Internet was originally called ARPANet (Advanced Research Projects Agency Network) designed by the US department of defense?

- Did you know the first English dictionary was written in 1755?
- Did you know the tea bag was invented in 1908?
- Did you know plastic bottles were first used for soft drinks in 1970?
- Did you know a type of yo-yo was once used as a weapon for hunting in the Philippines?

Park Glen residents are all required to follow our covenants, conditions, & restrictions. When our deed restrictions are followed, it helps keep our neighborhood looking nice.

For example, all lots in Park Glen are to be maintained in a sanitary and attractive manner. That means that curbs, sidewalks, and driveways are to be edged, yards shall have grass, and be regularly mowed to never be more than six inches in height.

While it is merely rude for you or your yard maintenance company to blow clippings and leaves into your neighbor's yard, it is illegal to blow clippings and leaves into the street. This can cause them to clog the city's storm water drains, which could be disastrous for homeowners and result in a fine from the city. The best way of removing yard waste is to place it in an appropriate brown bag (available from Walmart, Sam's, Costco, and hardware stores) or a green yard waste bin (available from the city) and place on the street every Monday morning for the city to pick up.

If you have trouble getting grass to grow, remember that grass needs 4 to 8 hours of direct sunlight every day. If your trees are preventing that, consider thinning the branches or raising the canopy to let in more light. It is usually not necessary to remove a tree (which requires pre-approval of the community's Architectural Control Committee) to solve the shade problem.

Let's all do our part to keep Park Glen beautiful!

By Bob Kilburn

Spring is here? That is a common question this time of year. But it is not a question for the Scouts in your neighborhood because we have lots of scouting “stuff” going on rain or shine. Let’s see where to begin? Scouts had several activities. They delivered mulch to folks in the neighborhood who purchased from Boy Scouts in February. This is an annual thing so if we missed you please contact us (info below).

Of course there was camping. During this outing the Scouts completed leadership training for all the newly elected leaders in the Troop. At the Longhorn Activity Center there was a special court of honor recognizing one Boy Scout, Mario Salinas, who earned his Eagle Scout rank. We are so proud of him. We ended the month by teaching basic scout skills to the new scout patrol at Bear Creek Park

Cub Scouts were busy too! They had their monthly pack meeting where Brave was the theme and the Wolf Den began working on a service project, a food drive to help our community.

Boy Scouts & Cub Scouts are busy selling Camp Cards to get them to Summer Camp. Thanks for all the support.

Park Glen needs judges for the 2018 Yard of the Month contest. No experience is necessary, and you'll need to spend just one hour per month or less. Being a judge does not exclude your home from the contest. To volunteer or find out more, please fill out the form [here](#).

Recipes

Banana Spring Rolls

Ingredients

- 2 large bananas
- 8 (7 inch square) spring roll wrappers
- 1 cup brown sugar, or to taste
- 1 quart oil for deep frying

Directions

Preheat the oil in a deep-fryer or large cast-iron skillet to 375 degrees F (190 degrees C).

Peel bananas, and slice them in half lengthwise, then crosswise into fourths. Place one piece of

banana diagonally across the corner of a spring roll wrapper, and sprinkle with brown sugar to taste. Roll from the corner to the center, then fold top and bottom corners in, and continue rolling. Dip your finger in water and brush the last edge to seal. Repeat with remaining banana pieces.

Fry a few banana rolls at a time in the hot oil until evenly browned. Remove to paper towels to drain. Serve hot or cold.

Strawberry Jam

Ingredients

- 2 pounds fresh strawberries, hulled
- 4 cups white sugar
- 1/4 cup lemon juice

Directions

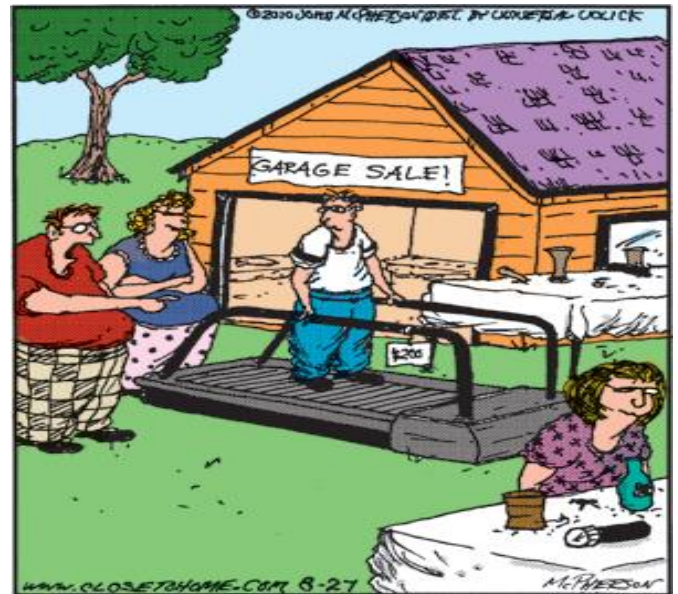

In a wide bowl, crush strawberries in batches until you have 4 cups of mashed berry. In a heavy bottomed saucepan, mix together the strawberries, sugar, and lemon juice. Stir over low heat until the sugar is dissolved. Increase heat to high, and bring the mixture

to a full rolling boil. Boil, stirring often, until the mixture reaches 220 degrees F (105 degrees C).

Transfer to hot sterile jars, leaving 1/4 to 1/2 inch headspace, and seal. Process in a water bath. If the jam is going to be eaten right away, don't bother with processing, and just refrigerate.

WebDonuts.com

"That treadmill was used only one time, I swear."

Gardeners "To Do List" For April

Planting

- Plant ground covers and warm season annuals and perennials as soil temperatures warm and the danger of frost has passed, such as cannas and gladiolus corms. It's best to wait until next month to plant hot weather annuals such as caladiums, elephant ears, periwinkles, and zinnias.
- Plant warm season turf grasses (Bermuda, St. Augustine and Zoysia) starting in mid April. Plant Bermuda grass seed only when nighttime temperatures average 65 degrees.
- Early April plant: tomatoes, snap beans, radishes, cucumbers, corn, lima beans, mustard, peppers and squash. Late April plant: watermelon, southern peas, okra, cantaloupe, sweet potatoes, eggplant, and pumpkin.

Pruning

- Prune spring blooming shrubs and vines after they finish flowering.
- Allow foliage on spring bulbs to die back and dry before removing, so it can store food for next year
- Shade trees may be pruned. However, do not prune live oaks and red oaks between Feb. 15 and June 30.

Plant Care

- Fertilize azaleas when finished blooming according to soil test recommendations.
- Check roses, ornamentals, and vegetables for powdery mildew, prevalent in mild, moist spring weather.
- Check new growth on ornamental plants weekly for aphids and scale insects and treat if necessary.
- Apply first fertilizer treatment to established warm season turf grasses (first to mid April). Use a fertilizer based on a soil test (which may cost as little as \$10) and follow recommendations. "Weed & Feed" products are not recommended.
- Mow established warm season turf grasses weekly or as needed.
- Use broad-leafed weed control products to eliminate spring weeds such as dandelions, henbit, and chickweed. Some types can damage St. Augustine. Always read and follow label directions. ~Begin harvesting cool season vegetables.
- Water all your plants when they're dry, being particularly diligent with new plantings that quickly dry out in our persistent spring winds. Use 3-4 inches of mulch on all flower, shrub and vegetable beds.

O'Reilly Auto Parts 500 Race Weekend - April 5-8

Texas Motor Speedway's race weekend is three days of heart-pumping action that features the best drivers in the world racing for a spot in the playoffs. Tickets start at \$49 for adults, \$10 for all kids 12 and under.

Fort Worth Food + Wine Festival - April 5-8

The four-day festival honors the distinctive nature of Fort Worth's culinary traditions in one taste-filled weekend. Seven events, from brunch to BBQ, will occur across the city. Ticket prices vary.

Main Street Arts Festival - April 19-22

The largest four-day event in the Southwest welcomes thousands of art lovers to **Downtown** and **Sundance Square** to enjoy works from 223 world-renowned artists, hundreds of live music performances across four stages, delicious food and much more. Admission is free.

Opera Festival - April 27-May 13

Spanning a few weeks each spring, the **Fort Worth Opera** Festival will feature three works: Don Pasquale, María de Buenos Aires and Brief Encounters. Prices and showtimes vary.

Fortress Festival - April 28-29

The annual two-day music festival will hold its second edition in Fort Worth's world renowned **Cultural District** with a star-studded lineup including popular indie musician Father John Misty and garage rocker Courtney Barnett.

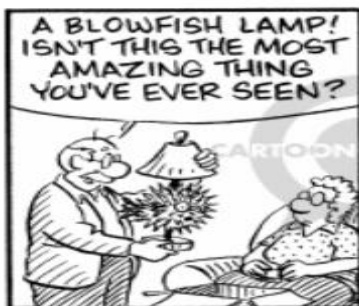

UPCOMING EVENTS

April 1 - May 13: **A New American Sculpture 1914-1945: Lachaise, Laurent, Nadelman, Zorach** at the Amon Carter Museum

April 7: **Trace Adkins** at Billy Bob's

April 8: **Fort Worth Stories Watch Party**

April 27: **Wild West Wits** at Sid Richardson Museum
