COVENANT CORNER

Fort Worth Collection of Large Bulky Trash

Fort Worth provides monthly curbside collection at residential homes of items that are too large, heavy or bulky to fit in the brown garbage cart for normal garbage pickup. Bulky item pick-up is limited to 10 cubic yards (about eight feet long, six feet wide and six feet tall)

at no extra charge to each household that receives curbside garbage and recycling collection. There is an extra charge for piles exceeding 10 cubic yards.

Place bulky items on the curb by 7 a.m. on the second Monday of each month but no earlier than 6 p.m. the Friday before the second Monday. It is a city code compliance violation to have trash items on the curb out of cycle. Crews have until the following Saturday at 5 p.m. to pick up bulky items. After crews have collected on your street, do not place more bulky items on the curb until the next month on or just before the second Monday.

Please DO NOT put out any of the following:

- No trash, garbage, rubbish, waste or any material of any kind in plastic bags
- No leaves, grass or other yard trimmings in plastic bags. These items should be set out in paper yard bags for weekly yard trimmings and brush collection
- No automobile parts, batteries or tires (residents can dispose of four tires every six months at city drop-off stations)
- No contractor remodeling and demolition debris such as shingles, wallboard and lumber
- No electronic equipment such as computers and televisions (use the city drop-off stations)
- No household appliances that contain coolant, gasoline or other chemicals, including air conditioners, refrigerators and lawnmowers (accepted at city drop-off stations)
- No dirt, rocks, concrete or ceramic tile
- No liquids, poisons or explosives
