Fort Worth Trash Collection

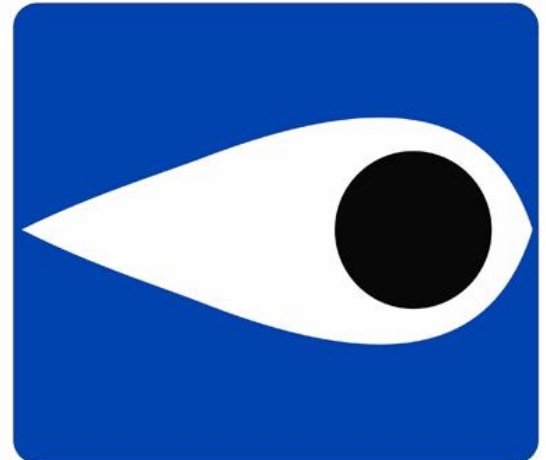

On Mondays, trash and recycle bins can often be seen with missing or damaged lids. Getting a replacement lid is easy: just call 817-392-1234 and give them your address. You will be told when to have your bin at the curb for a city employee to stop by and replace the lid. Also, remember that the bins need to be placed on the curb or grass (not in the street) with wheels toward the house. Bins should be spaced two feet apart so the gripper has room to do its job.

Let's all work together to help eliminate neighborhood crime. Please watch out for these activities in our neighborhood:

- Someone running from a car or home.
- Someone screaming. If you can't explain the screams, call law enforcement and report them.
- Someone going door-to-door in the neighborhood or looking into windows and parked cars.
- Someone asking about past residents.
- Someone who appears to have no purpose wandering through the neighborhood.
- Unusual or suspicious noises that you cannot explain, such as breaking glass or pounding.
- Vehicles moving slowly without lights or without an apparent destination.
- Business transactions conducted from a vehicle. This could involve the sale of drugs or stolen goods.
- Offers to sell merchandise for ridiculously low prices. The items might be stolen.
- Someone walking or running while carrying property at an unusual time or place.
- Someone removing property from unoccupied residences.
- A stranger entering an unoccupied home.
- A stranger in a car who stops to talk to a child.
- A child resisting the advances of an adult.

NEIGHBORHOOD WATCH

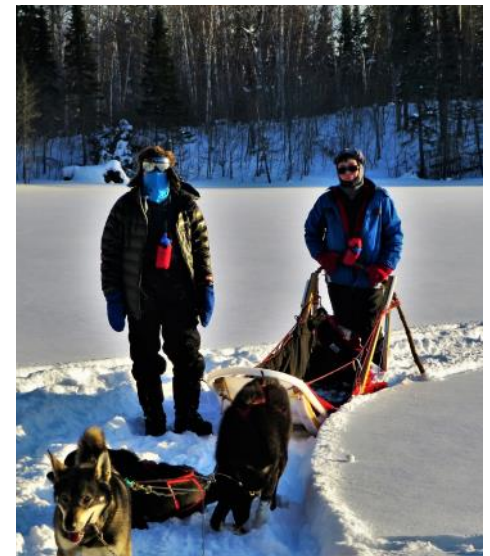

WE LOOK OUT FOR EACH OTHER

by **Bob Kilburn**

Spring is here? Yes, that is the question, but it's not a question for the Scouts in your neighborhood. Lots of Scouting "stuff" going on rain or shine. Let's see; where to begin?

Crew 205 went to Northern Tier, along the Minnesota/Canadian Border, where they learned to Dog Sled and survive outdoors in temperatures as low as -22 degrees, how about that? I thought freezing was cold, a whole new definition for scouts from Texas. What an incredible adventure; you can bet we'll be returning.

Boy Scouts have been busy delivering mulch that many of you purchased (thanks for your support) and selling Camp Cards to get them to Summer Camp (again thanks for all the support). They had a campout focusing on astronomy and a Court of Honor

recognizing the boys for all their achievements over the past several months. More fun to come; they completed this month traveling to Athens, Texas to work on an Eagle Project for our next Eagle Scout, Corbin Richardson. They had lots of help. The project was designed to repair and or replace steps from the lake up to a cross/worship area at the Disciples Crossing Camp. There were over 60 volunteers.

The Cub Scouts held their annual Blue & Gold Celebration at Alliance United Methodist Church. It was Scouting's Birthday Party filled with an evening of fun which included skits, songs, and the highlight of the event was the Cub Scouts crossing over to become Boy Scouts. 4 Webelos earned Cub Scouts' Highest Award, "The Arrow of Light." Great job to all involved. The Blue & Gold Banquet was a great success.
