

FREE SHREDDING EVENT

Saturday, May 4 - 9am to 11am

at Park Glen Elementary School (Black Hills Lane parking lot). A free service to shred personal papers only for Park Glen homeowners and residents. Check [this list](#) to see if your home is within the boundaries of the Park Glen Neighborhood Association.

Scholarship Program

Applications for the 2019 Scholarship program are available [HERE](#). The Park Glen Neighborhood

Association has authorized the Scholarship Program to recognize, reward, and develop members of our neighborhood and their dependents who have exhibited commendable academic success, leadership, and volunteer & extracurricular involvement. A number of scholarships of \$500 or more will be awarded for undergraduate, graduate or vocational-technical study in the upcoming fall semester. The program is not just for graduating high school seniors. Please review the [application packet](#) for complete information, and direct any questions to the Scholarship Coordinator at PGNAScholarship@gmail.com. Application deadline is June 1.

 You can see the opportunities, ask for
 more information, or sign up [HERE](#).

Judging in this summer's Yard of the Month contest will be:

May 25-28
June 22-25
July 27-30
August 24-27

Judging will be based on overall attractiveness and adherence to deed restrictions & community standards. To be considered, properties must not have any open violations or have any past due balance on their accounts. Winners will receive recognition in this newsletter and on our website, plus a "Yard of the Month" sign for their yards.

Would you like to help judge the Yard of the Month contest? No experience is necessary, and you'll need to spend just one hour per month or less. Being a judge does not exclude your home from the contest. To volunteer or find out more, please fill out the form [here](#) or e-mail PGNARussell@gmail.com.

and
Spring Festival

COVENANT CORNER

Fences

A property modification request is required from residents who want to make Improvements or modifications to your property. You can find the forms on our website www.ParkGlen.org

If you are thinking about doing work on your fence, please review the HOA's guidelines for property modifications at www.parkglen.org/property-modification-acc.html. These guidelines state that approval of the Architectural Control Committee is necessary for fence repair or replacement unless the fence will be 6' or less in height with no change in fence line and with no application or reapplication of color. If all three of these are true in your case, you may proceed without prior approval. Otherwise, please complete and submit a property modification form that is available at the link above.

Whether ACC approval is required and sought or not, homeowners are still responsible for complying with the relevant Covenants, Conditions, & Restrictions (CCR's or Deed Restrictions) that may be found at <http://parkglen.org/deed-restrictions-ccr-s.html>. For example, poles may not be visible from the street, and fences that adjoin/intersect (whether parallel or perpendicular) must always do so at the same height, so a high fence must taper down over a 10' or greater distance to intersect/adjoin a shorter fence at the same height. In addition, approval of adjoining homeowners should always be obtained before raising the height of a shared fence, since that change would have a significant change on the neighbor's yard.

According to the office of our City Council Member Cary Moon, a [Pedestrian Hybrid Beacon \(PHB\)](#) is being installed at the intersection of Park Vista and Redwood. A PHB is a traffic control device [proven](#) to help pedestrians safely cross roadways at uncontrolled intersections. The beacon flashes only when activated for ~50 seconds. Once the pedestrian is safely across the roadway, vehicles may resume normal traffic flow. All work related to this installation is expected to be completed by the end of summer 2019.

PARK GLEN SCOUTING

by Bob Kilburn

School is coming to an end, and the Cub Scouts and Boy Scouts from Pack and Troop 205 are preparing to have an awesome summer.

The Boy Scouts just finished their District Camporee. This is a huge campout for Scouts from all the Troops in our area with lots of scouting activities and much competition. Some of the Scouts are Hiking on the weekends preparing to go on a trek to Scouting heaven "Philmont High Adventure Base".

Most recently some of the scouts were inducted into the Order of the Arrow which is Boy Scouts' National Honor Society that recognizes Scouts and Scouters who best exemplify the Scout Oath and Law in their daily lives. This recognition provides encouragement for others to live these ideals as well. Arrowmen are known for maintaining camping traditions and spirit, promoting year-round and long term resident camping, and providing cheerful service to others.

Our Crew just completed a wilderness survival campout in Mineral Wells. They had a booth at the extravaganza doing a duck decorating contest. Their service for this month was putting meals together for the Tarrant Area Food Bank. They made a whopping 14,000 meals.

The Cub Scouts went to Camp Burnett for their Spring Family Campout where they braved the elements, played games, and had a great campfire. Scouts from the Pack and the Troop worked some service as well: working to get the outside of Alliance United Methodist Church ready for Easter.
