PARK GLEN SCOUTING by BOB KILBURN

Busy summer so far. The Park Glen Scouts are doing what Scouts do, have a great Summer. The Park Glen Scouts started this summer with a bang. The Boys Scouts attended Summer Camp at the Boys Scout Camp Worth Ranch, located in Palo Pinto County. They were busy working on Merit Badges and having a great time. The first year Scouts participated in the "Hammer Patrol" where they learned many of the outdoor skills needed to advance in rank. Where to begin? Troop 205, the scouts put out flags in our neighborhood for the 4th of July, lead the Independence Day Parade, visited Bell Helicopter Training Academy, Campouts which included climbing, water sports and their annual planning meeting. They participated in an Eagle Project, led by Nathan Davis, where they refurbished the Band storage trailers for Keller High School, Great Job Scouts. Troop 2205 had another momentous Occasion, they had another scout receive the rank of Eagle Scout Congratulations Lara Abbott.

The Cubs Scouts went to Cub Scout Day Camp, where they got a jump start on lots of their achievement for their new ranks. Oh yeah and lots of Fun too. They shot BB guns did Archery and much, much more, that is just the beginning. Lots going on they marched in the Park Glen annual independence parade and they are headed to the splash pad in Watauga this month.

Last but not least our Venture Crew – Crew 205, travelled to Japan, spent 2 weeks there and scaled Mt Fuji, How many can say that's what they did this summer. Now add that to the other summer adventure for them. They did a trek at Philmont Boy Scout High Adventure Base in New Mexico and spent 12 days Backpacking, Hiking & Camping. It was a challenging adventure they will remember for the rest of their lives. They got to do all sorts of fun stuff like shooting black powder rifles, rock climbing and, oh, by the way they hiked around 85 miles and climbed up and down lots of mountains up to elevations above 12000 feet. That is what Venturing in Scouting is all about.

Information on the Annual Meeting and how to vote in the election, along with election code and voting pin, will be sent to each homeowner by US Mail on August 7th. An email will also be sent to those whose email is registered with our Management Company, NMI.

Any questions or if you have technical difficulty with the election process, need election code and voting pin to vote online, or if you would like to request a paper proxy form (to designate another member to vote in person on September 10 on your behalf), please contact YesElections from 9:00 am to 5:00 pm Eastern Time by e-mail at Help+PGNA@yeselections.com or by phone at 877-466-7875. The deadline to request a paper proxy is August 23.

Candidates who have filed, as well as Election Guidelines are at parkglen.org.

The online voting link will also be posted on parkglen.org.

Will you hold a Block Party for National Night Out, on Tuesday, October 1st?

The purpose of the National Night Out (NNO) block parties is for neighbors to get to know one another better and encourage neighbors to look out for one another to reduce crime. It's fun and easier than you may think! The Association will even pay up to \$75 for the first 40 registered block parties for block party expenses, such as for food, non-alcoholic beverages, supplies (paper products, signage, decorations, and other similar items), and rentals, if you register your block party with PGNA by September 23rd.

Please email NNO Coordinator **Melissa Medici** to host a block party or to learn more at: PGNAMelissa@gmail.com

Protect yourself against West Nile Virus

1

**DUSK
DAWN**

Stay indoors at **DUSK** and **DAWN**.
This is when infected mosquitoes are most active.

2

DRESS

DRESS in long sleeves and pants when you are outside. For extra protection, you may want to spray thin clothing with repellent.

3

REPELLENT

Use repellent, follow label instructions and always wear repellent when outdoors.

DRAIN standing water in your yard and your neighborhood – old tires, flowerpots, and clogged rain gutters are just a few sites mosquitoes use to breed.

As you may know, many homeowners are responsible for maintaining their mailbox clusters throughout the community, but some have not done so. Accordingly, the Association will continue to use Association funds, at no additional cost to the owners, to repair the mailbox clusters. The Association will address mailbox clusters that are leaning more than 5 degrees, have missing, cracked, or broken bricks, or whose structural integrity is significantly compromised. If you have any questions, please contact PGNA Board President Susan Kenney at PGNASusan@gmail.com.
